Sistem elemenata / System of elements SOLIS

Sistem elemenata Solis predstavlja elegantno rešenje za uređenje savremenog enterijera vašeg doma. Mogućnost kombinovanja različitih elemenata uklapa se u opremanje kako malih stanova tako i prostranih dnevnih soba. Širinu u stilu opremanja dodatno omogućavaju dezeni kombinacija. Bela osnova elemenata sa lak belim frontovima daje dodatni pečat u opremanju modernog ambijenta dnevne sobe.

System of elements Solis enables you to furnish the internal space of your home in modern and elegant way. The possibility of combining different elements is good for both small flats and wide living rooms furnishing. There is a wide choice of styles as there is a plenty of colors' combinations. When white base of the elements is combined with varnished white surface, it has stronger effect within your living room ambient.
